Mr. George Suski
Campus Media, Inc.
165 West 46th St.
New York, New York

Dear Mr. Suski:

This letter is to thank you for your letter of Oct. 8 and the checks enclosed therein. Please retain it for your files and regard it as a receipt and as formal acceptance of the plan for payment. To wit, that Ivy will receive four checks at the beginning of each month in the amount of \$250. each until the old balance of \$4802.80 is eliminated, and that we will receive all new business with 50% of the total placement costs at time of order.

Now that the formalities are out of the way, please let me thank you for your personal efforts in straightening this out. The plan that you propose is very generous and I regard it as a sign of your continuing efforts to maintain our mutually profitable relationship.

When you come to Boston later in the week I look forward to meeting you and talking about any future plans or prospects that you may have. Again, thank you very much.

Cordially,

William Bates, III
President
